The Teaching of English.

The last session of the body was held in the pariors of the historic Sweet Briar House, now the administration building of the college. The president, after a graceful speech congratulating the association on the pleasant auspices and entertainment under which the last meeting was to be held, tendered the chair to Dr. Benedict.

The subject of English was announced for discussion, and two admirable papers were presented, the first by Dr. McBryde, of Sweet Briat, his subject being "College Preparatory English," and the second by Miss E. R. Cleveland, of Hollins, on "The Other Side of Freshman English," It was resolved later that both papers be published.

Cleveland of Hollins, on "The Other Side of Freshman English." It was resolved later that both papers be published.

A discussion of the papers followed, in which Dr. McBryde, Miss Cleveland, Mr. Jarman and Mr. Davis were the chief participants.

The chair appointed Mr. Estes Cocke, Miss Hatcher and Miss Duvall as a committee to make a report recommending officers for the next term. This committee retired for a few minutes and returned with the recommendation that the present officers be retained except that Miss Mary Sommerville Gammon, of Stuart Hall, be elected secretary and treasurer, to take the place of Miss Coulling, who had resigned on account of ill health.

On motion of Mr. Davis, the association expressed by rizing vote their appreciation of the kind hospitality of Sweet Briar in entertaining the association during the present meeting.

It was unanimously decided to accept the invitation of Hollins to have the association meet with them next summer, and it was decided to have the next meeting open at Hollins Institute on the evening of June 15, 1909.

Special Sale of

New **Embroideries** and Val. Laces

This is a most unusual event for the month—a sale of new embroideries and Val. Laces in the height of the Embroidery and Lace season. You must realize this and ought to make a special effort to benefit by such exceptionally low prices.

How we are enabled to quote such low prices is easily explained. Here's how: A certain jobber was hard pressed for ready money and offered us a large quantity of Embroideries and Laces for much less than they cost him if we would pay the bill as soon
